

### **Working Title: Summit Community Connector**

*A partnership to enhance Downtown Jackson, Cache Creek Corridor and preserve Snow King Mountain Resort Heritage*

### **SPONSORSHIP AGREEMENT**

An Economic Development, Public Art, and Historic Preservation Project that combines Snow King Resort, the Jackson Hole Chamber of Commerce, Jackson Hole Public Art, Town of Jackson and the Jackson Hole Parks and Rec Dept. A robust private/public partnership that will use the historic and beloved double chairs from Summit Chairlift at Snow King Mountain to connect Snow King with Downtown Jackson via the Cache

Creek Corridor. The Summit Community Connector combines historic preservation with vibrant walkable areas by investing in downtown connectivity, recreation and experiential landmarks, a critical strategy for a town that relies on destination tourism as its economic driver.

This public art and recreation Installation will use 15 original chairs saved from Snow King Summit Chair (which was removed in Summer 2021) in various locations and formats along the Cache Street corridor between the entrance to the Town of Jackson and the summit of Snow King Mountain Resort. The chairs would be curated as “one” public art installation that drives the visitor to want to experience all the separately installed chairs. Some will be installed as swings, fixed chairs or groups. The chair installation will incorporate visual connectivity and interpretive signs to capture the significance of the chairs, showcasing the 75 plus year history of Snow King and the development of skiing in Jackson as a year-round mountain destination. They will use a historic preservation theme and create a sense of wanting to interact with each one by the user.

### **Timeline 2021 - 2022**

July – October 2021: Raise funds, write grants

November - March: Design Review and Fabrication

December – March: Develop interpretive features, signage, and promotions

April - May: Install

May: Old West Days Ribbon Cutting

**SPONSORSHIP LEVELS** (see last page for sample)

Summit Community Connector

Each chairlift installation along Cache Street will have a plaque that features unique historical information. Promotional maps will be printed and distributed to the participating businesses.

**\$2,50 Sponsor Benefits**

- Your brand PROMINENTLY featured on information plaques along Cache Street
- Logo included in Summit Community Connector Map

**HOST SITES**

Is your business along North or South Cache?  
Do you have the room and the desire to host a chair?

\_\_\_\_\_ **Yes, I would like to host a chair!**

I understand that chair hosts are responsible for maintaining the chairs for the approximate 10-year installation. The project partners will handle all installation.
